Dear Parents & Guardians

The State of Michigan is providing the PSAT 8/9, PSAT 10, SAT w/Essay (11th grade), ACT WorkKeys (11th grade), and M-STEP (11th grade) free of charge for all of our high school students this Spring. All students, in-person or remote, can elect to come into Belleville High School and take these assessments in-person on the following dates:

- 9th Grade PSAT 8/9: April 16th
- 10th Grade PSAT10 : April 15th
- 11th Grade SAT w/Essay : April 13th
- 11th grade ACT: April 14th
- 11th grade M-STEP (Online) April 19th - May 21st window

Students will need to submit their request by 3:00 pm March 26th, 2021. Please click on the link [here](#).

Again, these exams will be administered in person at Belleville High School on these dates. Student safety and health is our top priority, therefore:

- Students must wear a mask.
- We will stagger the arrival times of students and practice social distancing along with the other safety measures.
- We will send you the exact times of the test once we have determined how many students will be taking the exams.

We would like to encourage your student to take these exams. When students receive their PSAT scores, they can link them to Khan Academy to get personalized SAT practice. This has been shown to increase student's SAT scores. Details can be found at <https://collegereadiness.collegeboard.org/sat/practice/khan-academy>

If you have any questions about exams, please contact your counselor

Sincerely,

Dan Wright
Assistant Principal
