**Chairman Preston:**

“Dr. Fletcher, as orientation to your evaluation as Superintendent of Lawrence County Schools, you have been provided a copy of our current policy, *02.14 Evaluation*; a summary of the Kentucky Board of Education (KDE) superintendent evaluation requirements and evaluation process timeline; and a copy of *KRS 156.557*, the legal basis for superintendent evaluation.

Additionally, you have been provided with a copy of our current procedure, *2.14 AP.2 SPGES Process*, which outlines the use of the SPGES system that has been developed by the Kentucky Department of Education. By June 30, 2016, you will receive ratings on the seven standards that are outlined in the SPGES system. These standards have indicators that will guide you in being an effective superintendent and include the following:

1. Strategic Leadership
2. Instructional Leadership
3. Cultural Leadership
4. Human Resources Leadership
5. Managerial Leadership
6. Collaborative Leadership
7. Influential Leadership

While all 7 standards will be used in the evaluation process, we, as a Board, will focus our superintendent evaluation process on three specific components, which are aligned with KDE's goals for student achievement, operational efficiency, and financial well-being:

1. The progress toward delivery targets in the areas of:
  - Student Proficiency
  - College/Career Readiness
  - Graduation Rate
  - Closing the Achievement Gaps
2. The effectiveness and efficiency of district operations including whether you as superintendent have:
  - Established a balanced operating budget for school programs and activities
  - Leveraged district resources to attain the best use of and to improve student learning
  - Compliance with legal, ethical, and policy standards
  - Communicated aspects of the district's budget and resource allocation to the board
3. Improvement on the TELL Kentucky Survey questions relating to Facilities and Resources

Finally, we, the Board will review and discuss your progress in open meetings, as documented in Board meeting minutes.

Dr. Fletcher, do you have any questions or comments you wish to share with the Board regarding your evaluation process?"

**Dr. Fletcher:**

"I am in receipt of the documents that you mentioned, Mr. Preston. I have also been trained with the seven standards that you mentioned earlier. I am also very aware of the focus of the Board. At this time, I have no questions regarding the standards on which I will be evaluated this year."
