

Board of Education Meeting Procedure**Agenda**

The Board President is responsible for focusing the Board meetings' agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before the Board of Education action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any board member may suggest items for addition to the agenda. Items must be submitted to the Superintendent 48 hours prior to the release of the agenda. The superintendent shall notify the President of the request. The Board President shall either agree to the addition or refer the request to the Board as a whole to determine if there is support to move forward with the agenda item. If the agenda item is supported by a majority of a quorum (3 board members) it will be added to the agenda. District residents may suggest inclusions for the agenda. Discussion items may be added to the agenda at the beginning of a regular meeting. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board of Education member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board of Education meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board of Education, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board unless otherwise stated in law. The sequence for casting votes shall be rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Board member may include a written explanation of his/her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Any Board of Education member may request that his/her vote be changed before the result of the vote is announced by the President.

Minutes

The Board Secretary shall keep written minutes of all Board of Education meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

The minutes include:

1. The meeting's date, time, and place;
2. Board of Education members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting;
7. A record of all motions, the members making the motion and the second;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board of Education for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The School Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Secretary. Open meetings' minutes are available for inspection during regular office hours within 10 days after the Board's approval, in the office of the Superintendent or designee, in the presence of the Secretary, the Superintendent or designee, or any Board of Education member. Minutes of closed meetings are likewise available if the Board of Education determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential. Only official minutes are available. The official record shall not be removed from the Superintendent's office except by vote of the Board of Education or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio

recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities, e.g., in order to check the accuracy of minutes. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board of Education constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order Newly Revised as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.
