Parent Conferences

We recently completed the fourth six weeks of the school year and with that Parent Conferences were held. Here is Mr. Vega and Mrs. Evans having a Parent Conference with Karen Valle-Rojas and her mom. We were excited to see and speak to so many of you. Please remember, we are just a phone call or text away. If you ever have concerns about your child's classwork or any other issue, please call us to discuss your concerns.

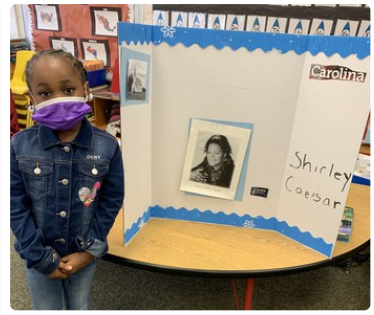
Mrs. Wharton's Class Celebrates Women's History Month

The students in Mrs. Wharton's Kindergarten class celebrated Women's History Month by creating projects about famous women.



Famous Gospel Singer

Miracle presents her project on Shirley Caesar.

The First US Flag Designer

Jaice Manning presents his project on Betsy Ross.

Famous Civil Rights Activist

Ava Hewlin presents her project on Rosa Parks.

Women's History Month Research Projects

Students in grades 2-5 have been working on research projects for Women's History Month in Media Class. Each student was assigned a famous woman in history to research and create a page in a Google Slide. The students' pages were compiled and presented at our Virtual Women's History Month Program that was held on Thursday, March 25 at 2:30 pm on the Monday Morning Meet Channel. Students did an awesome job showcasing their technology skills as well as their research skills through this project. We learned about some amazing women and how they have impacted our lives in many ways! To view the program, please click here: Vaughan Elementary School Women's History Month Program

Read Across America Day!

On March 2nd, we celebrated READ ACROSS AMERICA Day. This year our celebration was a little different than it normally is, but we still loved celebrating reading. We held a Family Reading Night that evening and worked hard reading some great books.

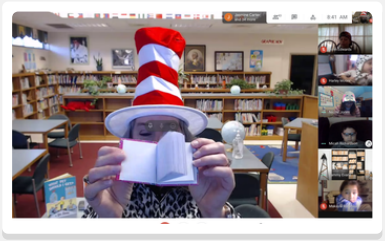
Littleton United Methodist Church Donates Items to Students for Read Across America Day

Each year for the past 6 years, Littleton United Methodist Church has brought books to the school for the students to choose from and take home for Read Across America Day. This year with Covid and social distancing, they were not able to come and give books to students. Instead, they purchased

items that were passed out to students when they came to pick up textbooks and other materials. Our students were so excited to receive books, little notebooks, magnet bookmarks and elastic bookmarks. Thank you so much Littleton United Methodist Church for all the ways you have supported our readers in years past and are still doing so in these different times.



Mrs. Mizelle shares the little books that were given to students.

Vaughan staff would like to say thank you to the ladies at Littleton United Methodist Church for providing a special St. Patrick's Day Treat. It was a great pick me up! We are so appreciative for the many ways you all support our school!

Students Return to Campus!

Students have now returned to campus and boy are we excited to have them back in the building! It takes some getting used to, but everyone is doing a wonderful job of social distancing and learning new routines. We look forward to students being able to attend more days per week soon!

3rd, 4th, and 5th Grade Benchmarks

Students in 3rd, 4th, and 5th grade will be taking online Benchmarks March 23-25. Make-ups will be held on Friday, March 26th. Please be sure your students are prepared to do their best on their Benchmark tests. A few Benchmark readiness tips include:

1. Get a Good Night's Sleep. Being well rested is important!
2. Eat a Healthy Breakfast. Food is your body's fuel.
3. Find a quiet distraction free space to test

4. Allow your child to complete their Benchmarks on their own. It is imperative that students do not receive help on their tests. Teachers will use Benchmark scores to determine what skills students still need to be taught.
