2. Create your account by entering your Username (email address) and setting a password. (click Submit). Traversa Messenger will send you an email to verify your new account. Please click the link in the email before proceeding.
3. Download the Traversa Ride 360 App from your mobile device app store.
4. Open the App, in the Find your school district screen enter: RB157NSD2

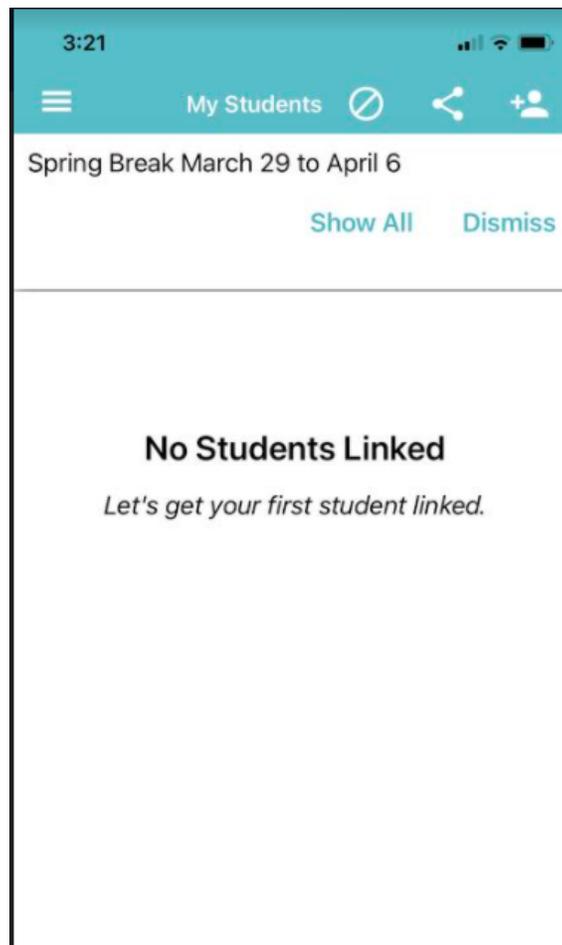

5. Login with your newly created account

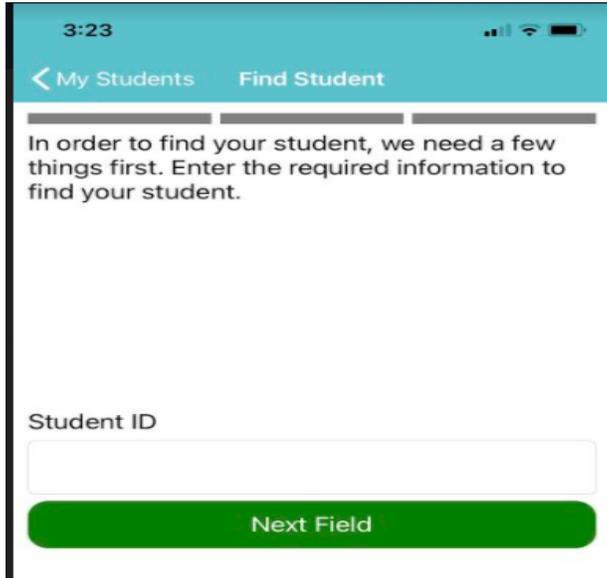

A screenshot of a mobile application's login screen. At the top, the status bar shows the time 3:17, signal strength, Wi-Fi, and battery icons. Below the status bar is a header with a small logo on the left and the text "RB157NSD2" in the center. The main content area is titled "Login" and contains two input fields: "Username (email)" and "Password". Below these fields is a large, light gray button labeled "LOGIN". At the bottom of the form, there are two links: "Register" on the left and "Forgot Password" on the right.

6. Select Login

A screenshot of a mobile application's "My Students" screen. The top navigation bar is teal and contains a menu icon, the text "My Students", a refresh icon, a share icon, and a plus icon. Below the navigation bar, a notification banner reads "Spring Break March 29 to April 6" with "Show All" and "Dismiss" links. The main content area is titled "No Students Linked" and includes the text "Let's get your first student linked." A vertical line is drawn on the left side of the screen, extending from the notification banner down to the bottom.

7. Press the  in the upper right header to find your students
8. Enter your student's "Other ID" number and last name. (The "Other ID" number can be found in Skyward Family Access on the Student Info tab.) The app will then ask for your student's last name and appropriate school.

3:23

< My Students Find Student

In order to find your student, we need a few things first. Enter the required information to find your student.

Student ID

Next Field

9. Once your student is found, select Link Student.
10. Repeat steps 7 & 8 if you have additional students.

You have now successfully linked your students with the app. To view their routing information; simply tap on your student's name and routing information will be at your fingertips.
