Shop Shutterfly to support your school

The holidays are almost here, and many families will order photo holiday greeting cards or photo holiday gifts. One of the most popular online websites for photo cards and gifts is **Shutterfly.com**. The Elmwood-Murdock Booster Club is partnering with Shutterfly and Tiny Prints to raise money for our school. For each purchase you make from one of these online stores, 13% will be donated to the Elmwood-Murdock School.

How To Support The Elmwood-Murdock School:

1. Go to our Storefront URL here – emboosterclub.ShutterflyStorefront.com
2. Click through to **Shutterfly.com** or Tinyprints and start shopping
3. Make a purchase

That's it, it's that easy! And you can still use any promotions that are being advertised on the Shutterfly site – *right now, all holiday greeting cards are 50% off!* Feel free to share this tip with all your friends and family, the more people who purchase, the more our organization earns.

Elementary Students at Basketball Games

Elementary students are asked to be supervised by their parents or other adult guardians during basketball games. Students should not be running in the halls, playing games in the halls or commons areas during the basketball games. Please be sure to supervise your children at basketball games. Students should be with their parents cheering on the Knights. Thanks for your help and cooperation.

Cold Weather

Please send gloves/mittens, hats, and warm coats to school with your children as we will be going outside for recess as much possible during the winter months.

Weekly Driving Tips

When driving on a two-lane road that allows parking on the right, stay toward the center line to allow for room if someone were to open their door to exit their vehicle in front of your car. This forethought will help you from swerving to miss an opening door. If there is no parking allowed on the road position your car toward the right to allow for more room between you and oncoming traffic.
