School Annual Education Report (AER) Cover Letter

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Menominee Junior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Michael Sweet for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2Is5npr>, or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

The school is in the midst of installing the Blueprint Framework to meet the academic and social-emotional needs of all students. This process will help teachers and administrators to work with students to accelerate achievement and close persistent gaps in achievement.

State law requires that we also report additional information. <TO HAVE THIS LETTER MEET THE STATE REQUIREMENTS, EACH SCHOOL SHOULD PROVIDE A REPORT FOR THE **TWO MOST RECENT YEARS** ON THE FOLLOWING:
