Due to Covid-19 precautions, the scheduled HGS Vocal Music programs on April 22nd will not be taking place. We look forward to starting next school year fresh with lots of singing, recorders, and programs. Thank you, as always, for supporting Music in our school.

State Assessments Planned for April

Grades 3-6 will be taking state assessments in the month of April. Please make sure your child is getting a good night's sleep and has a nutritious breakfast every morning. Also, ensure your child arrives at school on time and try to avoid making appointments on the days state assessments are given.

Thank you!

Roller Skating Information

I will be teaching a two week unit on Roller Skating. I work with a great vendor that provides students with roller skates & some safety gear. A roller skating wavier will be sent home soon. All students must have a signed waiver on file before they are allowed to skate. **PLEASE DO NOT** send any money. We've had a gracious donor pay for the rental fee for ALL students. Please return the waiver by **Wednesday, April 7**. If you have any questions, please feel free to contact me at

sroepka@havenschools.com or by phone at 620-465-2501.

The third grade class sent their Flat Stanley's out and have been eagerly awaiting updates on his travels, to see what he has been up to and where he has been! He will be traveling throughout the United States and abroad to Germany and Prague, Czech Republic!

Flat Stanley is a character in Jeff Brown's book: the story tells of Stanley's adventures after surviving being squished flat while sleeping by a fallen bulletin board. Flat Stanley visits his friends across the US by being mailed in an envelope. Schools all across America now use Flat Stanley and his adventures as a project designed to improve student's reading and writing skills while also promoting an interest in learning about different people and places.
