VACANCY
SECONDARY WELDING INSTRUCTOR
(½ Time in the PM)
For the 2021-2022 School Year

Job Description: Winchester Community High School has a ½ time PM position for a Welding Instructor for the 2021-2022 School Year.

The Welding Instructor should either be able to get a teacher's license or a workplace special license from the IDOE and should deliver content in a differentiated manner that is aligned with the Indiana Academic Standards for Welding. This role will require the candidate to teach a variety of students in grades 9-12.

Job Requirements

- Have a working knowledge of best practices in welding education.
- Guide, motivate and engage students in learning, including understanding the basic elements of welding education
- Maintain a safe classroom, using appropriate classroom management skills
- Maintain open communication and professional relationships with all stakeholders
- Utilize instructional materials/curriculum/resources recommended for the district
- Attend and participate in required staff meetings and building-wide trainings and initiatives
- Maintains effective and efficient record keeping procedures, including the regular updating of grades electronically
- Models professional and ethical standards when dealing with students, parents, peers, and community
- Performs other duties and responsibilities as assigned by the school administration.

Job Qualifications

Licensed or able to be licensed by the Indiana Department of Education

Ability to manage a general budget and supplies

Knowledge of state, district and school policies and procedures

Ability to interpret district policies, procedures and data

Strong communication, public relations, and interpersonal skills
