

Greetings Parents and Guardians,

As we settle back in to our fall routines, REACH wants to remind you of available support services to support families in our district.

Attached are enrollment forms for the Backpack Food Program and Winter Gear.

- Backpack Food Program – Provides supplemental food for school age children over the weekends
- Winter Gear – Provides warm winter gear to any child/student in need

If you have any questions regarding these programs please contact REACH at (218)483-3145 or email familysupportcoordinator@ruralenrichment.org.

Have a wonderful day!
