

This year we are implementing **E-Learning Days** in place of snow days. Please turn in your completed work within two days to be marked present for that school day, late work will be considered an absence. Parents please sign at the bottom.

Miss Reardon 3rd Grade

Name _____

	Day 1	Day 2	Day 3	Day 4	Day 5
Language Arts	Read for 30 minutes. Draw a picture of your favorite part.	Read the book in this folder. Write the title, main idea, and two details from the book.	Write a story using at least five of your Spelling words.	Write a rhyming poem. Illustrate it.	Read a fictional story. Write down the title, main character, main setting, beginning-middle-ending, problem and solution.
Math	Study your latest Rocket Math sheet, copy fifty of the problems and answer them.	Find 5 food items in the kitchen. Write down the items and the prices. Then add the prices. Calculate how much change out of \$100.00.	You have \$100 to spend at the mall. Go to any online store. Write down what you bought, the prices and how much you spent all-together. What was your change?	Play monopoly for 30 minutes and you be the banker. OR Play any math game for 30 minutes. Play math addition and subtraction with dice.	Do the worksheets in the folder.
Music and Phy Ed	Look up on the school's website.				
Science	Look up a science project on you tube. Complete it! Take a picture, video or bring the completed project in for credit.	Watch a Bill Nye video on youtube. Write a 1/2 page summary about it!	Look up your favorite animal and write 5 interesting facts.	Make something using a recipe, take a picture, or bring a sample.	Paint a picture of your favorite animal and use only red, blue and yellow. You can make all the colors from those three.
