

The Board authorizes the Superintendent to purchase and/or supervise the purchase of all materials, equipment, supplies, and services necessary for the operation of the School District. It is the intent of the Board that the School District purchase competitively, without prejudice or favoritism, and seek maximum value for all expenditures. Competitive pricing is to be pursued by following legally required processes, as well as through such methods as cooperative purchasing, formal or informal bidding, requests for quotations from multiple vendors, and negotiation. The Board authorizes the Superintendent to make purchases not to exceed the current year's competitive bidding threshold per individual item purchase. Purchases in excess of that amount shall be brought to the Board for approval.

Federal Procurement Standards The Board seeks to ensure the District complies with all procurement policies and procedures in accordance with the [Education Department General Administrative Regulations](#) (EDGAR) and/or issued pursuant to the [Federal Uniform Grant Guidance \(UGG\), 2 CFR Part 200](#). The Superintendent will delegate responsibility for the development of procedures that comply with this policy to the Director of Business and Operations.
