

## **2020-2021 Spring Activities Fan Attendance Guidelines**

### **Outdoor Activity Guidelines**

We are excited to be able to welcome fans to the many activities that will be taking place. Please keep your distance from those participating while in attendance. If you are experiencing any of the following symptoms (fever of 100 degrees Fahrenheit or greater, persistent cough, shortness of breath, repeated shaking with chills, muscle pain of unknown origin, headache without known origin, sore throat without known origin, new loss of taste or smell, nausea or vomiting, or diarrhea) please do not attend. If you have been in contact with someone who has tested positive for COVID-19 within the past 14 days, please do not attend.

According to IDPH, ISBE, and IHSA/IESA guidance, we are allowed to host fans at 20% capacity of our available seating at our outdoor venues. Each activity has a breakdown of the number of fans that each participant can have at home events.

While in attendance at any school events you must wear a mask/face covering (unless there is medical documentation that prevents an individual from wearing a mask, they are under 2 years of age, or they are eating or drinking) and maintain 6 feet of social distance from those not in your immediate family.
