THE MARSHALL MUSTANG

April 2021

Principal's Message

Hello Marshall Families,

We hope that you have a restful, relaxing spring break. It is hard to believe that there are about 10 weeks left in the school year. The time has flown by. Your child has grown in many ways during this time, physically as well as academically.

The big news is that many of our students are back on campus! It is wonderful to see our classrooms with occupied desks. We are anxious for the time when ALL of our Marshall Mustangs will be able to join us. The returning process has been fairly smooth. We are still working on getting students in and out a bit quicker. Please remain flexible during this time. I want you to know that all safety protocols are in place and adhered to. Your children are superheroes demonstrating social distancing and proper mask wearing. The students remaining online are also superheroes in the way they continue to thrive and learn with their teachers.

All of our students are superheroes, making history as they continue their learning during this pandemic.

Typically, at this time, we would be discussing the Smarter Balance testing. The state, OSPI, is still making decisions about this assessment. As soon as a decision is reached, families will be informed.

Another anticipated update will be the announcement of the 2021-2022 Marshall Principal. Staff, students and parents were involved in the selection process.

I want to thank the parents/guardians of our Marshall Mustangs for their continued support. I appreciate the daily, positive encouragement you give your children.

Thank you,
Joan Robertson-Landi
Marshall Principal

Welcome Principal Rudolph

We are excited to announce that, pending School Board approval, **Katy Rudolph** will be the next principal at Marshall Elementary. Katy has spent the last two years as an elementary assistant principal in the Everett School District. Previous to this role, Katy served as an assistant principal in elementary and middle schools, including our own Grove and Shoultes Elementary Schools. We are very excited to have her back in Marysville and hope that she will stay with us for a long time! Katy is looking forward to engaging all of you as she transitions to this role. You can expect a communication from her sometime in the upcoming weeks.

Kindergarten

To-Go Meals

To-go meals will continue to be served to community members Monday through Friday, 11:00—12:30. In-person students will also be receiving a lunch and breakfast to go each day.

Car Loop Tip

To make drop off and pick up go smoothly, please feel free to utilize both lanes in the car loop. Once you reach the front of the line, it merges into one lane. At that point, please take turns merging into one lane to drop off or pick up your student. This will help prevent the traffic from backing up out in to the street.

Coming in May:

- ♦ Buy One, Get One Free Bookfair
- ♦ PTSA Fundraiser

Watch for more details as plans are solidified.

Register for Kindergarten Now!

If you have a child who will turn five years old by August 31, 2021, now is the time to register for Kindergarten. Bring your child's immunization information and original birth certificate to Marshall and we will help you with the registration process.

You may also register online at MSD25.org.
