Principal's Message

Hello Marshall Families,

The time has flown by. Here we are already in the 7th month of school. The Marshall Staff is gearing up to have all of all grades on campus by March 22nd. We are anxious to see the return of our students.

2021 school definitely does not resemble school as we knew it. 6' social distancing, masks, mask breaks, hallways with directional arrows, limited movement within classrooms - who ever thought this would be school? Please talk to your child about these changes. These are difficult changes for all of us. We are doing our best. The better prepared your children are to face this new way of learning, the better it may become for them.

Students do spend a brief amount of time outside, where they may take their masks off. Please remind your child to dress for the weather. March is a tricky month, one day cold and rainy, the next sunny and warm.

Typically, the March message contains information about state testing. So far, OSPI has not released any information to guide us.

One last thought. In our Morning Message, we shared that your children are superheroes. They are making history. No student has ever had this experience before. Your children are resilient and persevere. Remind them of this as they start to get frustrated.

Thank you for everything you are doing for members of the Marshall Family.

Joan Robertson-Landi

Weekly Health Screener

All students who attend in-person instruction need to complete a health screener each week. It is strongly suggested that this be completed each Sunday. For your convenience, each Sunday you will receive an email with a link to the Weekly Health Screener.

Below is the QR code you may use as well as the link directly to the form.
