

# Kindergarten Requirements

Dear Parent/Guardian,

State law prohibits all under-immunized children from entering school. This means that you are required to provide the school with a written immunization record from a health provider or licensed physician stating the dates that your child received the following immunizations:

- DPT/TD (4 doses- 4th dose on or after 4th birthday)
- Polio (3 doses- 3rd dose on or after 4th birthday)
- Measles
- Mumps
- Rubella/MMR (2 doses- 1st dose on or after 1st birthday)
- HEP-B (3 doses)
- Varicella/Chicken Pox (2 doses-1st dose on or after 1st birthday or proof of immunity)

**In order to start school on the first day, we must have the following items on file for your child:**

1. Verification of your child's birth certificate
2. Your child's Health Appraisal Form completed & signed by your physician.\*\*
3. Immunization record, signed by your physician. (Shots must be up-to-date for a child to attend school.)
4. Verification of proof of residency — ex: valid driver's license, rental agreement, property tax bill, or current piece of business mail

\*\*A Health Appraisal Form completed for a preschool program in the previous school year is acceptable PROVIDED the immunizations are up-to-date.

If you have any questions, please call the school office at 906-863-3605.
