

## **Extended School Year Learning Plan Westfall Local Schools**

### **Elementary:**

#### **Invite:**

- ❖ Current online students who have not been actively engaged during the school year.
- ❖ Students who are in need of additional time to close gaps.
- ❖ Students who have IEPs that need additional support.

#### **☐ Instructional Day**

- ☐ Use the I-ready curriculum for students based on EOY results.
- ☐ Students would have 90 minutes of ELA and 90 minutes of Math
- ☐ Math
  - ☐ Supplement I-ready with skills based small group instruction using either the Next Steps for Instruction in I-ready and the Teacher Toolbox lessons
- ☐ Reading
  - ☐ Supplement I-ready with skills based small group instruction using either the Next Steps for Instruction in I-ready and the Teacher Toolbox lessons

### **Middle School:**

#### **Invite:**

- ❖ Current online students who have not been actively engaged during the school year.
- ❖ Students who are in need additional time to close gaps. Use EOY data from I-Ready to determine those students.
- ❖ Teacher recommendations based on grades. Students who have failed classes.
- ❖ Students who have IEPs that need additional support.

#### **Structure:**

- ❖ Any student who meets the above criteria would:
  - Be assigned summer credit recovery using Apex Learning's platform.

- Take an initial assessment to tailor the recovery course to the needs of the student.
- Be assigned a teacher as a facilitator for each core subject in which the course recovery is needed
  - The facilitator will:
    - Develop a flexible schedule for office hours
      - ◆ In-person
      - ◆ Virtual/Video Conferencing
    - Monitor completion of individual courses
    - Interact individually with students
    - Provide clarification and specific instruction as needed
- Be required to meet with the facilitator a minimum of 5 hours per week
  - The schedule can be flexible and arranged by the facilitator
  - Meetings may be in-person or virtual/video conferencing

## High School

### Invite:

- ❖ Students in need of credit recovery
- ❖ Students who are in need additional time to close gaps.
- ❖ Students who have IEPs that need additional support.

### Structure:

- ❖ Any student who was unable to recover lost credit during the 4th grading period would:
  - Be assigned summer credit recovery using Apex Learning's platform in order to prevent doubling up on classes next school year.
  - Take an initial assessment to tailor the credit recovery course to the needs of the student.
  - Be assigned a teacher as a facilitator for each core subject in which the credit recovery is needed
    - The facilitator will:
      - Develop a flexible schedule for office hours
        - ◆ In-person
        - ◆ Virtual/Video Conferencing
      - Monitor completion of individual courses
      - Interact individually with students
      - Provide clarification and specific instruction as needed
  - Be required to meet with the facilitator a minimum of 5 hours per week
    - The schedule can be flexible and arranged by the facilitator
    - Meetings may be in-person or virtual/video conferencing
