Dear Families,

I know many of you must have questions about the possibility of getting more students into the school through the hybrid model. I wanted to take a moment today to share with you some of the work we are doing at Quil Ceda Tulalip Elementary to prepare for inviting kids back in the coming weeks. You will be hearing more details through email, and through our social media soon. **If you are not yet following Quil Ceda Tulalip Elementary on Facebook I would ask that you "like" and/or follow our page ASAP.**

Marysville School District and the Marysville Education Association, in partnership with Snohomish County Health Department have been hard at work outlining the health and safety protocols that will guide us at the school level. Here at QCT, we have also been working diligently to get prepared for serving more students in person, by:

- Bringing a committee of staff together to develop an arrival, dismissal, and other detailed plans to help protect the health and safety of staff and students.
- Working with the MSD Communications Department to develop a video we will be sharing with families around arrival, dismissal, and other key times of the day.
- Preparing classroom spaces for kindergarten and first grade classrooms who will be coming in first under [MSD's Reconnect Plan](#).
- Connecting with and surveying kindergarten and first grade students' families to develop balanced classrooms for those interested in a hybrid offering.
- Seeking out additional staff and spaces as available to bring in additional small groups of prioritized students who may be furthest from educational justice.

Again, in the coming days and weeks we will be sharing more details. **If you are not yet following Quil Ceda Tulalip Elementary on Facebook I would ask that you "like" and/or follow our page soon.**

Sincerely,

Sarah-Marie Boerner, Principal
