The local portion (FTE .20) of the Elementary School nurse will be funded for FY22. The LEA will also purchase PPEs for staff and students as well as creating barriers between potentially sick individuals and healthy individuals until they can be removed safely from campus. Additional nursing supplies will be purchased to help identify potential COVID cases. Sanitizing equipment and supplies will be purchased for disinfecting of common areas on a daily basis.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?
