AUTISM AWARENESS WEEK!

MARCH 27-31

Did you know that many famous actors, inventors, comedians, athletes, entrepreneurs, musicians, scientists, etc. have been diagnosed with Autism? Take some time and look it up! Dress up in your future career attire.

Playing to our Strengths: We are at our best when we can be ourselves, so be flexible with how others get things done to allow space and time for thinking. We must all play to our personal best. Wear your favorite sports team!

Light up WCS BLUE to shine a light on Autism Awareness. Wear BLUE to represent a calm feeling and acceptance in an otherwise loud and busy world!

Hats off to Acceptance: Our brains are unique! Hat's off to spreading love and kindness to all. Wear your favorite or silly hat!

Sensory Friendly: People with Autism often have a variety of sensory sensitivities. Dress up in your most comfortable clothes! Wear your (SCHOOL APPROPRIATE) favorite pajamas!
