

ACTIVE SHOOTER TRAINING (APRIL 1, 2021) THERE IS NO EMERGENCY!

Tomorrow April 1st, (this is not an April Fools Joke) the Jefferson County Sheriff's Department SWAT team and the Jefferson County Sheriff's Department Student Resource Officers from across the county will be on the Grandview campus from 3:30pm till approximately 7:30pm doing Active Shooter Training. Many school personnel will be participating in the training along with the Sheriff's Department Officers. I'm sending this out so everyone can remain calm when they see the campus full of police cars and officers doing mock trainings all over the campus. There is **NO EMERGENCY** and the Grandview campus will probably be the safest place in Jefferson County for around 4 hours. Again this is just to let the community know there will be a Jefferson County Sheriffs department Active Shooter Training on campus tomorrow!

**Matt Zoph
(Superintendent)**
