

Zest for Cooking Scholarship

We just launched a new scholarship for students who are passionate about cooking and wanted to share it with Giddings High School. We'll be giving away \$650 through the Zest for Cooking Scholarship.

We'd love to have some applicants from Giddings High School. If you could share and mention it (e.g. [here](#)), we'd be through the moon!

Here are the details:

- **Scholarship Name:** Instapot Life Zest for Cooking Scholarship
- **Award Amount:** \$650
- **Application Deadline:** 4/1/21
- **Eligibility:** Students who love to cook
- **URL:** <https://instapot.life/cooking-scholarship/>

We're hoping the scholarship can support and inspire students' passion for cooking.
