

Come be great with us @ Springfield Schools!

Springfield Schools are accepting applications for teachers to begin in August 2023. If you want to make a difference in the learning and lives of elementary, middle, and high school students at a rural school on a 4-day week, then Springfield is for you!

Springfield is building new housing for purchase or rent in the community. The town serves as the county seat of Baca County, Colorado, has wonderful standing traditions of community care for its neighbors, and has an active Main Street.

The Springfield Schools community supports the school and its staff. No more significant symbol of this can be found than the brand new school and renovation project for safe and creative learning spaces PK-12. The new space will be completed in the 2022-2023 school year. [Click here to take a tour of the new space](#)

2023 Licensed Positions Available: [Download the word format application here.](#)

- Updated 04/10/2023
