April 1, 2021

Dear Dollarway School District Family,

On March 30, 2021, Governor Asa Hutchinson lifted the mask mandate for our state. In his announcement, he expressed that school districts would be given the authority to decide whether or not to continue enforcing mask mandates for their students, staff, and visitors.

The Dollarway School District will continue to require that masks be worn through the end of the 2020-2021 school year. Students, staff, and visitors will be required to wear masks on all school sites including buses.

We have been blessed to see the number of active cases decrease among our students and staff. This is due to the tireless efforts of our entire learning community's implementation of the COVID-19 safety guidelines and precautions. We will continue to wear face coverings, watch our distance, and to wash our hands to mitigate the spread of the coronavirus.

Our students and staff have been wonderful in the face of this global pandemic. We are thankful and appreciative of each one. Thank you for your support, and for allowing us to serve your family and this great community. Our collective efforts make us better together. It takes all of us to have success and remain safe.

Sincerely,

A handwritten signature in blue ink that reads "Barbara J. Warren".

Barbara J. Warren
Superintendent of Schools
