

MISSION STATEMENT

The Tecumseh Public School System shall endeavor to empower all students to become successful productive citizens in a changing global society.

We will know we have achieved our mission when all students are:

- (a) Self-directed, life long learners, who critically and creatively apply the intellectual skills of analysis, synthesis and evaluation when planning and developing goals, solving problems, and making decisions;

Can apply skills in mathematics, social and natural sciences, and the communication skills of reading, writing, speaking and listening to the solving of real life problems;

- (b) Collaborative workers, who exercise the flexibility, confidence, and group skills necessary to develop and manage interpersonal relationships with others, including those different from themselves, in rapidly changing, organizationally diverse global settings;

- (c) Complex thinkers, who identify, assess, integrate, and utilize available resources, technology, and information to reason, make decisions, and solve complex problems;

- (d) Societal contributors, who exercise personal, social, and moral responsibility in dealing positively with health, wellness, and environmental issues;

Exhibit responsible and ethical behavior while fulfilling the civic duties, governmental responsibilities, and social obligations necessary to improving the welfare of others and the quality of life in their diverse communities;

- (e) Quality producers, who have the prerequisite skills, self-discipline, and personal life plan, needed for career entry and the anticipated up dating required in a high-tech market place.
