January 2, 2017

Dear Parents/Guardians,

The winter season is a wonderful time for children to have fun outside and in the snow. In order to have our students be able to play outside and in the snow during their recess, we need your help in ensuring that all children are prepared for the weather.

Please send your child to school with the appropriate winter clothing, which includes hat, mittens/gloves, coat, snow pants, and boots. Children without snow pants and boots will not be allowed to play in the snow, but will be allowed to play on the blacktop during recess.

The outdoor clothing should be labeled with your child's name. The clothing will need to go home and be returned every day. Even without snow, please be sure your child comes to school prepared for outdoor play on a daily basis, as we go outside if the temperature is 20 degrees and above. Please note that we also take wind chill factor, weather conditions (i.e. rain, ice, etc.), and conditions of the blacktop, sidewalks, and field into account.

Please remind your children that there will be no sledding, making/throwing snowballs, and burying each other in the snow.

If you have any questions or concerns, please feel free to call the office at 860-228-9458.

Sincerely,

Katie Uriano  
Principal, Gilead Hill School
