Re: Requesting Workers Comp Insurance rates

Hays USD 489 requests rate and plan information for the district workers compensation insurance for an effective date of 07/01/2022

Please find the necessary information to complete this request.

- NCCI Experience Modification Factor – 1.05
- Estimated Payroll Information by Class Code

7380 – Bus Drivers and Chauffeurs	\$336,749
8868 - Professional and Clerical	\$21,911,589
9101 - All Others	\$1,375,608

- Email chipp@usd489.com to obtain Loss Run information

Please include a list of references for any workers compensation insurance carrier being quoted. Whenever possible, references should include school districts of similar size.

Please provide any supporting information (other than rate) for value additions within your program that would benefit Hays USD 489 workers compensation plan or plan management.

Provide your quote information in a sealed envelope by 5/27/2022 to the district office.
