

Dear Parent/Guardian:

Our school will be administering the Seven Mindsets Survey as part of our Social Emotional Curriculum that is delivered during Falcon Squad/Pride Time. This survey is used to gauge and monitor student's social and emotional health. The survey is given once at the beginning of the year, and again at the end of the year. We believe this survey is a valuable tool in that it can be used to identify areas to target in the Seven Mindsets curriculum based on students' strengths and areas for growth.
