

VIRTUAL ADULT PROGRAM

An Overview of ABA Therapy for Children with Autism

Thursday, April 22, 7:00 pm

Rebecca Zegas, M.A., BCBA, provides an information session on Applied Behavior Analysis (ABA) therapy for children with Autism Spectrum Disorder.

Join us for an overview of ABA, as well as the opportunity to get answers to questions about ABA therapy and the process of behavior change.

Ms. Zegas received her Masters Degree in Special Education from Rider University and completed her ABA coursework at Penn State World Campus.

Her diverse and extensive experience includes providing early intervention services, teaching in the classroom, and consulting for school districts.

She is the founder of

Limitless Behavioral Services and Consulting.

Visit [MCL's Events Page](#) to register.

Registration is required.
