

Dear FHSA Family:

Please see the following updates to our testing calendar to help ensure efficiency. To help create the safest testing environment for our students we are asking for **“in person”** students to transition to virtual instruction while their specific grade levels are testing. If your child is unable to remain home, please know that they are welcome to come to school. However, they will not go to their classrooms until virtual students have left campus. Please see the testing calendar below for specific information.

All students must wear a school uniform while on campus. Virtual students must wear a school uniform when they come to campus for the 3 testing dates. If you would like to review the testing meeting and review more information, please visit <https://www.forestheightsstem.com/>.

We have uploaded the ACT Aspire Testing Schedule, NWEA Testing Schedule, and Parent Testing Meeting Presentation to www.forestheightsstem.com. You can access the materials by selecting “Testing” in the yellow ribbon at the top of the screen.
