Subject: Parent Update

Dear Parents,

As we continue navigating and planning for school and education through COVID-19, we have put together the following video clip to review our recent Tier III remote online learning experience and to explain a few additional steps built into our process.

You can access the video by clicking [HERE](#).

In addition to staff absence situations during COVID-19, we track student absences and use these data points to guide our decisions. We also use county data, Benton Co. Public Health and IDPH, Governor Proclamations or direction, as well as Iowa Department of Education guidance.

You can view our absenteeism and county-wide data on our website dashboard at: <https://www.benton.k12.ia.us/>

Again, thank you for being patient with us as we continue to move forward.

Sincerely,

Dr. Pamela Ewell, Superintendent

Benton Community Administration and Directors
