Subject: Remote Tier III, add't steps

Dear Staff,

as we continue to navigate through COVID-19 this winter and next spring, we have built-in a few additional steps to our Tier III remote online learning. Your supervisor or building principal will review the process with the steps as we assess our employee status and student absences on a weekly basis. You can track staff and student % absences on our dashboard

I put together a [video](#) explaining the additional steps and will be sending it out to parents later today.

Thank you for all that you are doing to keep school/education going for our students and parents!

Enjoy PT Conferences and have a nice holiday week!
