Title Information

Due to COVID-19 and health department guidelines, we were unable to hold our annual Back to School Night and Title I Informational Meeting. Please review this presentation for information from your Title I specialists.

Sturgeon RV Title I Program

Sturgeon's Title 1 Program operates under a Schoolwide Plan in the K-8 building, which allows us to serve all students in the elementary school. This plan is reviewed and revised annually by a team of teachers, administrators, and parents. The annual review focuses on academic achievement data as well as perception data from teachers, parents, and others in the community to determine if our schoolwide programming has been effective in addressing major problem areas, and in turn, improving student achievement, particularly for lower-achieving students. If you have any questions, please contact Robyn Moore and Michelle Sandker, our Title I teachers.

Title I Team

- Robyn Moore - Title I Reading Teacher
- Michelle Sandker - Title I Reading Teacher
- Jennifer Campbell - Federal Programs Director

Description of our organization

The Title I Reading Program at Sturgeon Schools is set up to support elementary aged students' literacy education. Students who meet criteria receive literacy support in a variety of ways at school (small-group instruction, 1-1 instruction, classroom support, etc). Title I services are set up to support struggling readers in the regular education classroom.

Detailed description of our program's literacy component

All activities, lessons, and support are literacy related. Title I is a federally funded program and must follow strict guidelines pertaining to literacy supports. Students receive:

- Literacy support at school
- Bring home bookbags for home literacy
- Attend conferences with parents
- Receive support through family literacy nights

Criteria that can be used to determine Title I eligibility

- DIAL 4
- Teacher recommendations
- Letter and Sound Identification
- iReady test
- MAP test
- DRA
- DIBELS
