## Q1 What is the best part of Kelso Virtual Academy remote learning?

**It's easier** I have more time to get my assignments done and can go at my own pace.

4.3  (10 )  
Ranked #1 of 10

**You get to work at your own pace.** I can get ahead whenever i would like

4.2  (15 )  
Ranked #2 of 10

**It is nice because I can do the assignments on my own time, it allows me to be able to have a job.**

4.2  (14 )  
Ranked #3 of 10

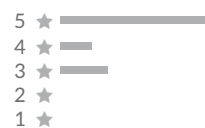

**Can get your classes done at your own pace**  
You can do classes at your own pace

4.2  (12 )  
Ranked #4 of 10

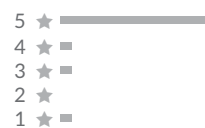

**You can move at your level rather than with a class.** Because I can learn what I need to learn.

4.1  (14 )  
Ranked #5 of 10

**youre safe** its important because people are dying and no one seems to care, everyones so focused on getting back full time

4.1  (14 )  
Ranked #6 of 10

**It sort of lets you learn at your own pace and on your own time.** It's important to allow kids time to learn at their own pace so that they really do understand the material.

4.1  (12 )  
Ranked #7 of 10

**not having to wake up at 6:30** bc im 15 and need sleep

4.1  (9 )  
Ranked #8 of 10

**The best part about KVA is getting to do everything on my schedule instead of trying to conform my schedule to school hours.** Being able to get ahead, take breaks whenever i need or just take the schoolwork at my pace makes doing the schoolwork less of a hassle.

4.1  (8 )  
Ranked #9 of 10

**Schoolwork can be done on your own time** This is important for my family because we have a busy schedule and being able to sit down to do schoolwork whenever I have an opportunity is helpful.
