

2021-2022 PRE-K/KINDER REGISTRATION

1. Visit jourdantonisd.net, on the home page you will find a button titled “prek/kinder registration”.

2. Once you have clicked the button above, you will be taken to the registration website. If you have other children in the district you may already have an account. We used this last year for returning student registration. Please do not create another account if you already have one. If you have not used this site before, please create a new account.

3. Once logged in you will see the page below. You will select to “add student”

4. At this time, we should only be enrolling students that are new to the district. So “new to the district” will be the only option you should select.

5. Enter your child’s legal first name, last name, date of birth and grade. If your child is enrolling in pre k please select “ps”. Then select “begin new enrollment”

A screenshot of the 'Enroll a New Student' form. The form has a title 'Enroll a New Student' and a paragraph of instructions. Below the instructions are four input fields: 'First Name' (containing 'JISD'), 'Last Name' (containing 'STUDENT'), 'Date of Birth' (containing '01/01/2017'), and 'Enrolling Grade' (containing 'PS'). A red arrow points to the 'Begin New Enrollment' button at the bottom right of the form.

6. Begin filling out your child's information. All information must be filled out properly to be considered for enrollment. Please make sure you have the correct building and school year selected. When you have completed the entire page please click Save and Submit. You do not need to print. All documentation such as Birth Certificate, Social Security Card, Proof of Residence must be turned into the office to complete the enrollment process.
