TAKEBACKSUMMER2021

Arcohe Champions

imaginethepossibilities

This summer, we're helping elementary schoolers reconnect with friends and make up for lost learning time. They'll create to their heart's content with a different theme every week, each focusing on boosting kids' confidence in four social and emotional mindsets.

Me, You, Us

We'll learn about taking care of ourselves and others as we build social skills.

The Future Is Bright

We'll support your child's learning journey with fun and engaging language, literacy, and STEM experiences (without screens!).

Unity in Our Community

We'll learn all about service and how we can make sure everyone is equally welcomed and valued in our community.

Mind andBody

We'll support your child's physical development and mindfulness with creative movement, group games, and yoga.
