

TITANS RETURN TO LEARN PLAN MODIFICATIONS

April 7, 2021

At the April 5 regular school board meeting, the JNPSD Board voted to continue with the same learning plan and implementation of health protocols until the beginning of the 2021-2022 school year. The continuation of the plan includes the wearing of face coverings on campus and at school events through the remainder of this school year and during JNPSD summer programs.

The guidance and recommendations of the Arkansas Department of Health and the Arkansas Division of Elementary and Secondary Education will be followed. The plan will be evaluated in August 2021 to determine next steps with the plan.

If you wish to submit feedback on the Titans Return to Learn Plan, please complete the following online survey: <https://forms.gle/zyjqhUp7DcINepVb9>

The plan is posted on the JNPSD website at www.jnpsd.org.
