March 31, 2021

Parents:

As we look ahead to next year, your child's teachers feel that Extended School Year services (summer school) would benefit your student.

We are looking at providing weekly services this year, on the following dates:

June 29 & 30
July 6 & 7
July 13 & 14
July 20 & 21
July 27 & 28

ESY services will be held at the school from 8:00-12:00. Your student's exact time will be determined once we finalize student numbers. OT, PT, and Speech services will also be provided during these times to those who receive them.

Please return the bottom portion of this slip to school or email teresa.hulscher@k12.sd.us by **Friday, April 9th** to let us know if you intend to send your student. We will let you know your child's specific times as soon as possible.

Sincerely,

Teresa Hulscher
Elementary Principal/Special Education Director

Please sign and return this portion of the letter to school

_____ Yes, I would like my child to take part in the Extended School Year services provided.

_____ I am declining Extended School Year services for my child.

Parent's Name _____ Student's Name _____
