

RJHS Families,

On January 11, 2023, all 8th grade and 9th grade RJHS students will take the PSAT test. The PSAT test, or the Preliminary SAT test, is administered by College Board and cosponsored by the National Merit Semifinalist board. RSD intends to use this test to unlock future academic opportunities for our students through this testing. RJHS teachers will use this additional testing information to make instructional decisions and recommendations for our students.

This test is free of charge for all 8th and 9th grade students at RJHS. The district is offering this to our students and it is an amazing opportunity for students to experience what it will be like to take a college entrance exam.

RJHS administrators and teachers would like to partner with parents to encourage students to do well. Please visit with your student about this test and communicate the importance of being well prepared. Please make it a priority for students to be on time and present at school on the designated testing day. There will be no make-up days for this test.
