OPPA! is our new food service provider. With this provider we have items for sale during lunch that have been sold on a cash basis. These items such as, chips, slushy, ice cream, and entree lunch items will now be available for sale to students with use of their lunch count with parental permission. Students must have money in there account to purchase an al la carte item, students with a negative balance will not be allowed to purchase an extra item.

For your child to use their lunch account for an al la carte instead of cash, please print and sign the form below and return to the MJSHS office.
