

If your child will turn 5, on or before August 31st, 2021 please call Park Elementary at 257-5624 to schedule a developmental screening. The developmental screening appointments take approximately 30 minutes. Your child will be given a screening to access cognitive, fine motor, language, social, and self- help skills.

The screenings help staff determine your child's current developmental skills and give us an opportunity to meet with parents to answer any questions or concerns you might have about kindergarten. The screenings will take place on Thursday April 22nd from 8:00-3:00 and Friday April 23rd from 8:00 to 3:00. We look forward to seeing our future kindergartners and parents.
