

## **8:110 Public Suggestions and Concerns**

The Board of Education is interested in receiving valid suggestions. Public suggestions shall be referred to the appropriate level staff member or District administrator. Each suggestion shall be considered on its merits. Community members who e-mail the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, limit their communications to relevant individuals.

An individual who is not satisfied may file a grievance under Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* create an independent right to a hearing before the Board.

CROSS REF.: 2:140 (Communications To and From the Board), 2:260 (Uniform Grievance Procedure), 3:30 (Line and Staff Relations), 6:260 (Complaints About Curriculum, Instructional Materials and Programs)
