MEDICAL INFORMATION

STUDENT MEDICAL INFORMATION

- A. Students who are not covered by personal medical insurance are encouraged to purchase the school day insurance policy to cover any injury that might occur on school property. The school district will not assume the responsibility for medical expenses related to accidents occurring while at school or on school property.
- B. The Winona-Montgomery School District discourages the undressing of students for examinations at school. School nurses may examine any affected area of injury while providing for modesty and the dignity of the student. If the affected area is in an area deemed as a "private area," the student will have a witness of the same gender present during the exam. However, this exam will still be performed with the student clothed. Only the affected areas will be uncovered, and any other areas will be draped for modesty. If a full body exam is required, it will be done in increments with one area being uncovered at a time while the remaining areas remain clothed or covered for modesty. Exceptions may be permitted in urgent or emergency situations and must be documented on the student medical/incident record.

MEDICATIONS

- All prescription and non-prescription medication that is to be administered on the school campus should be brought to the school nurse by a parent or guardian. At no time should a student transport any medications.
- At no time during school hours should a student be in possession of a prescription or non-prescription medication.
- Medications must be in the original prescription bottle. No envelopes or unlabeled bottles are allowed.
- Medications cannot be transported back and forth by a student on a school bus.

Communicable Diseases:

Chickenpox: The child may return to school after the lesions are crusted and dry and no new ones are forming.

Diarrhea: A child may return to school after free of fever and diarrhea for 24 hours.

Fever: A child cannot come to school running a fever. Any student with a fever of 100.0degrees must be picked up at school and cannot return to school the next day. The student may return to school only when they have been fever-free for 24 hours without the use of fever-reducing medications.

Influenza (Flu): Those with flu-like illness should stay home until fever free for 24 hours without the use of fever-reducing medicines. They should stay home even if they are using antiviral drugs.

Head Lice: The student will have a note sent home if they have live lice in their hair and may return to school only when they bring proof of treatment back to school with them. A second treatment must be performed in 8-10 days and proof of that treatment must also be brought back to school. Any student with three episodes of head lice in one school year will be referred to the health department for treatment education. **The highlighted portion is the Health Department recommendation. The American Academy of Pediatrics and the National School Nurses Association both recommend a policy of sending home students with live lice but notifying parents of students with nits to treat their hair and return to school with proof of treatment without sending them home.**

Impetigo: This is a contagious skin disease characterized by spreading pustular lesions (sores with pus). The child may return to class 24 hours after treatment has been started. Lesions that are still oozing and are on exposed skin surfaces should be covered.

Measles: This is a serious viral infection characterized by a rash (red, flat lesions) starting on the head and neck, which enlarge and coalesce (run together), and spread to the trunk, then to the extremities. Other symptoms include a high fever, conjunctivitis (red, inflamed eyes), cough and nasal congestion. The child may return to school when free of fever and the rash is fading (this usually takes 5 to 7 days).

Meningitis: The individual may return to school whenever he or she has been released by their personal physician.

Mononucleosis: The child need not be excluded from class, unless requested for medical reasons, but may return when free of fever and feeling well enough. Children should not share food or utensils.

Mumps: This is an infectious viral disease that is characterized by swelling and pain of the salivary glands. Children may return to school 9 days after the beginning of the salivary gland swelling.

“Pink Eye” (Conjunctivitis): This is an infectious disease characterized by redness of the eye(s), excessive tearing, itching, and discharge. Some cases may require antibiotics; therefore, a physician should be seen. Children may return to school after a physician has been seen, or when redness/discharge is improving.

Ringworm: The child may return to school as soon as treatment, which usually lasts several weeks, has been started. The ringworm should be covered at school. Ringworm of the **scalp** is characterized by inflammation, redness, and hair loss and does not respond to over-the-counter medicines; therefore, the student should see his/her physician. Students should be discouraged from sharing combs, brushes, and hats because these are possible sources for infection. Medical treatment is also indicated for ringworm of the **nails**.

Staph Infections: Children who have a minor staph infection of the skin such as a pimple may attend school. Those who have a more serious staph infection that requires medical treatment should not return to school until 24 hours after treatment has been started and is free of fever. Any lesions that are oozing and are on exposed skin surfaces should be covered with a leak-proof bandage. The same exclusion criteria would apply to those who have been diagnosed with a MRSA infection.

Strep Throat: The student may return to class 24 hours after treatment has been started if free of fever.

Vomiting: Any child vomiting at school must be picked up. The student may return to school 24 hours after the last episode of vomiting.

Whooping Cough: The student will need to be seen by a physician. The student may return to school 5 days after treatment has begun.

Covid 19: The Covid 19 protocols can be found on the [Winona-Montgomery Consolidated District's Website](#).

RIGHTS OF STUDENT PRIVACY AND FERPA

Student educational records are confidential documents. However, parents may review their child's record upon request. Parents may contact the Director of Guidance or the Principal for an appointment. MS Law 37-11-53, 3a, b

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;

- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

PARENTS' RIGHT TO KNOW

As a parent of a student in the Winona-Montgomery Consolidated School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and it requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's teachers:

Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;

Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;

The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and

Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive any of this information, please call the principal of your child's school. Thank you for allowing us to the honor of serving your child!

Peggy Jackson, WMCSA Academic Officer

C. Asbestos Surveillance of All School Buildings

As part of an annual notification, we are informing all persons of their option of reviewing the asbestos management plan, which would include documentation of any changes of asbestos containing material in these schools.

To provide continuing management of the asbestos in our schools, all asbestos containing materials are inspected every six months by an engineering firm from Jackson, Mississippi. Any changes in the ACM are being recorded in a surveillance report as part of the management plan.

The three-year re-inspection of our school buildings has been performed as required. A copy of the re-inspection has been filed with the State Department of Education.

A copy of surveillance and re-inspection reports, along with a copy of the management plan is located in the principal's office at each school. In addition, a copy of all management plans for the district is maintained in the Central office, 218 Fairground St. Any interested party should feel free to go to any of these locations to review these reports.

D. Internet Rules

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.

The network is provided for students to conduct research and communicate with others. Independent access to network services is provided to students who agree to act in a considerate and responsible manner. **Parent permission is required for minors.** Access is a privilege, not a right. Access entails responsibility.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly.

Users should not expect that the files stored on district servers will always be private.

During school, teachers of younger students will guide them toward appropriate materials. Outside the school, families bear responsibility for such guidance, as they must also exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

The following are not permitted:

- a. Entering areas which have been specifically forbidden
- b. Sending or displaying offensive messages or pictures
- c. Using obscene language
- d. Harassing, insulting, or attacking others
- e. Damaging computers, computer systems or computer networks
- f. Violation of copyright laws
- g. Using others' passwords
- h. Trespassing in others' folders, works or files
- i. Intentionally wasting limited resources
- j. Employing the network for commercial purposes
- k. Installing/downloading any computer software

Sanctions

- a. Violations may result in loss of access.
- b. Additional disciplinary action may be determined at the building level in line with existing practice regarding inappropriate language or behavior.
- c. When applicable, law enforcement agencies may be involved.

E. Parent Involvement Policy and Compacts

The Winona- Montgomery Consolidated School District has adopted the Parent and Family Engagement Plan and Student/Teacher Compacts. Copies are available in the principal's office of each school. Copies are available to parents upon request.

VII. Liability Procedure

After arriving on campus, students are not allowed to leave campus until school is out for the day unless they are picked up by a parent/guardian. The school will not be responsible for students who arrive on campus **prior to 7:00 AM** when teachers assume duty assignments. The school further assumes no responsibility for students being on campus **after 3:30 PM** when duty teachers leave. All students arriving after 7:30 AM are to go to their homeroom.

VIII. Senate Bill 2321 (Pledge of Flag)

From and after July 2, 2002, the school boards of all public schools of this state shall require teachers to have all pupils repeat the oath of allegiance to the U. S. flag at the beginning of the first hour of class each day school is in session. Any student or teacher who objects to reciting the oath of allegiance shall be excused from participating without penalty.

IX. General Release Statements

- A. Surveys

The Winona-Montgomery Consolidated School District receives federal funding from several programs. Included in these programs are Technology Grants, Schools to Careers Grants, Title I, Title IV (Safe and Drug Free Schools and Communities) and Title VI. As a means of evaluating the effectiveness of these programs, the federal government requires that each district conduct surveys including students, teachers, and community members.

B. Publicity

The Winona-Montgomery Consolidated School District releases information and photographs to the press, school web page, and through other media (including the school annual), regarding student achievements in all facets of school activities. This information includes but is not limited to such items as the honor roll, and participation in various activities. This release does not apply to student records protected by the Family Education Rights and Privacy Act.

C. Parents may address concerns to the principal.

Every student needs to do his/her part in keeping the buildings and campus neat and attractive. Respect for school property is expected at all times. Vandalism of school property by students will be paid for by those students.

Students must produce official grades from the educational agency of their last attendance. The student will then be given a placement test (STAR Reading) and must score on-grade level to be placed in that specific grade.

EMERGENCY PROCEDURES

Schools are sometimes faced with emergencies that require the total cooperation of staff members and students. The Winona Elementary School has made detailed plans for operating the school under such emergency conditions as fire, tornado, flood, severe weather, and other disasters.

Fire drills and other disaster preparedness measures are a regular part of our school program. Students are expected to learn the procedures to be followed under emergency conditions and to cooperate fully with the supervising teacher. Parents should listen to the local radio station for announcements from the Superintendent's office. Information may also be found on the district and school website and Facebook page.

CHILD ABUSE AND NEGLECT

Any school employee who has reason to suspect physical or sexual abuse or neglect of a student has a legal obligation to report such abuse or neglect to the Department of Human Services. Personnel should make such reports through the school principal, nurse or counselor.

SCHOOL SAFETY

In response to the National Homeland Security Act, the Winona- Montgomery Consolidated School District will make every effort to provide a safe and orderly school environment.

CODE OF CONDUCT

It is the inherent right of every person in this country to receive an opportunity for an education. It is also the right of every student attending Winona Elementary School to attend a school where a safe and orderly educational climate is constantly maintained. Therefore, it is the responsibility of every student in this school system to conduct himself or herself in such a manner that would in no way hinder the educational process of other students. While neither discipline nor conduct appear in the curriculum as such, they are both foundations in the school's curriculum. Hence, all students are expected to abide by the rules of public law, common courtesy, and local school policy to ensure an orderly learning process and a safe educational environment for all students attending Winona-Montgomery Consolidated Schools.

Any Winona-Montgomery Consolidated School District student who is charged with a felony or is generally known to be involved in any undesirable activity either on or off school property will be suspended from school until the matter is resolved if his or her presence in school is likely to be disruptive to the educational process.

At the principal's discretion, arrangements may be made for the student to receive, turn in assignments, and take exams at a time and place away from other students until the matter is fully resolved.

Any student with disabilities will be expected to follow the Code of Conduct as stated in this handbook. The IEP and/or Local Survey Committees for students with disabilities will convene as necessary and appropriate under IDEA to make decisions concerning suspension, expulsion, change in placement, and/or behavior plans.

POSITIVE BEHAVIORAL INTERVENTION AND SUPPORTS (PBIS)

Winona Elementary School implements the Positive Behavioral Intervention and Supports (PBIS) system as the way to approach behavior and discipline in the school. In connection with the Response to Intervention (RTI) strategies, PBIS implements a three-tiered approach based on data to develop effective interventions, and proactive, educative strategies to create a safe environment where positive behavior and learning can occur.

On the tier one level, procedures and processes are applied to all students on a school wide and classroom level. To maintain a tier one level a student must have fewer than two office discipline referrals for a semester.

If a student acquires between two and five office discipline referrals within a semester, the student will be moved to tier two. In tier two, the student will experience intervention procedures and processes that will address his/her behavioral issues. The student may be grouped with other students with similar behavioral problems or behaviors that seem to occur for the same reasons.

If a student acquires more than five referrals within a school year, the student will be moved to tier three. Interventions will occur that include processes and procedures that reflect school-wide expectations for student behavior coupled with team-based strategies to address the problematic behaviors of the individual student.

DISRUPTIVE BEHAVIOR

I. The Law

Senate Bill 2239 (July 1, 2001), which established the "Mississippi School Safety Act of 2001," deems student disruptive behavior and habitually disruptive behavior as a major offense. The law states:

- A. Disruptive behavior is defined as conduct that is so unruly, disruptive or abusive that it seriously interferes with a school teacher's or administrator's ability to communicate with students in the classroom, with students' ability to learn, or with the operations of a school or school related activity, and which is not covered by other laws related to violence or possession of weapons or controlled substances on school property, school vehicles, or at school related activities;
- B. Habitually disruptive student refers to the action of a student who has caused disruption in a classroom, on school property or vehicles, or at a school related activity on more than two (2) occasions during a school year and which was initiated by the student and required the attention of school personnel to deal with the disruption. After the second disruption, a behavior modification plan will be developed by the principal, teacher, parent, and counselor.
- C. Any student who is thirteen (13) years of age or older that does not comply with the behavior modification plan shall be deemed habitually disruptive and subject to automatic expulsion on the occurrence of the third act of disruptive behavior during a school year.

II. Corporal Punishment

- A. The Winona- Montgomery Consolidated School District recognizes corporal punishment as a means of discipline.
- B. School personnel are prohibited from using corporal punishment on any student with a disability. A student with a disability is any student who has an IEP or Section 504 plan.
- C. Corporal punishment shall be administered only after less stringent measures such as PBIS strategies, assertive discipline, counseling, parent conferences, and other forms of discipline have failed to produce the desired results, unless the conduct of a student is of such an extreme nature that corporal punishment is the only reasonable form of discipline under the circumstances.
- D. Corporal Punishment in the form of a paddling is an acceptable form of punishment and is permitted by the school board at Winona-Montgomery Consolidated School District. Every effort will be made to avoid corporal punishment. However, corporal punishment will be employed when necessary.
- E. When corporal punishment is administered, a report will be filed and maintained by the principal's office. The report will state the name of the student, the punishment, name of witness, and date.
- F. If a parent or the student refuses corporal punishment as a means of disciplinary action, the student may receive an appropriate punishment that will be decided upon by the administrator. If the punishment is out-of-school suspension, the absence/s will be counted as unexcused absence/s. This is in accordance with HB 30. This bill amends section 37-13-91 of the Mississippi School Code by adding language that says days missed from school due to disciplinary suspension will not be considered as an "excused" absence. Effective date is July 1, 1991. HB 30 was signed by the Governor March 15, 1991.

III. School Discipline Procedure

The Administration and Staff at Winona Elementary School believe that every student has a right and privilege to an education. All rights and privileges have responsibilities. ALL students must obey the rules in order to have a good learning environment. Students will be rewarded for good behavior when requirements have been met. The classroom teacher will determine requirements. Younger students need rewards more often than older students and will be treated accordingly. In order to work toward becoming a productive citizen at school and in their futures lives, students must:

1. Learn to make appropriate choices.
2. Learn to be in control of their behaviors.
3. RESPONSIBILITIES: At all times and in all parts of the school, students are expected to:
4. Be honest (no lying, no cheating, no stealing).
5. Assume responsibility for appropriate language.
6. Demonstrate respect for each other at all times. No name calling or fighting.
7. Demonstrate respect for school staff at all times.
8. Do not disrupt the learning environment.

Corrective action for not meeting these responsibilities will be followed and documented before referring a student to the office. Documentation of discipline techniques must accompany the office referral unless the offense warrants immediate attention.

In keeping with the spirit of the law and recognizing that a student cannot gain a good education without attending school on a regular basis, the Winona- Montgomery Consolidated School District has established high standards for attendance and absences as reflected in the following policy of the Winona-Montgomery Consolidated School District School Board.

According to Mississippi Code Section 37-13-91 which defines Compulsory School Attendance, all children between the ages of 6 and 17 must attend school each day. By Mississippi Law, the only absences that can be excused by the principal or his designee are those listed below.

Section 37-13-91 states that an absence may be excused only when it is demonstrated to the satisfaction of the superintendent, principal, or his designee that conditions are sufficient to warrant the compulsory-school-age child's nonattendance.

Days missed from school due to disciplinary suspension SHALL NOT be considered an "excused" absence under the provisions of the law.

Each of the following shall constitute a valid excuse for temporary absence of a compulsory school-age child, provided satisfactory evidence of the excuse is supplied in writing to the school principal or his designee by the parent or guardian of the student. The written excuse must accompany the student upon returning to school the day following the absence.

EXCUSED ABSENCES DEFINED

An absence is EXCUSED when the absence is due to:

- the student's attendance of an authorized school activity. This applies only when the student is a participant in the activity and travels as a group/team member with the sponsor/coach. This does not include going to the event as an observer only;
- a personal illness or injury which prevents the child from being physically able to attend school;
- an order by the county health officer, the State Board of Health, or appropriate school official;
- the death or serious illness of a member of the immediate family. The immediate family members shall include children, spouse, grandparents, parents, brothers, and sisters;

- a medical or dental appointment where an approval of the principal is gained prior to the absence, except in the case of emergency;
- a required court appearance if the student is a party to the action or under subpoena as a witness;
- an observance of a religious event to which the parents adheres. The approval of such absence is within the discretion of the principal and must not be of such duration as to interfere with the education of the student.

UNEXCUSED ABSENCES

- A. Excuses such as “needed at home, out of town, driving family members for medical appointments, hunting, appropriate school clothing not available, etc.” do not fall within the bounds of the law. The compulsory attendance law does not allow for absences other than those listed above. Therefore, unless the reason for an absence falls within the legal bounds listed above, the student’s absence will be unexcused according to state law.
- B. No absences may be excused when any student’s absences, suspensions, or expulsions circumvent the intent and spirit of the compulsory attendance law.
- C. Under special conditions, the superintendent, principal, or his designee may grant an excused absence.

EXTENDED ILLNESS /CHRONIC ILLNESS

- A. An extended illness is defined as any illness that causes a student to be confined in the hospital or at home for a period of time that exceeds 10 days.
- B. Chronic illness is defined as a recurring or ongoing illness that causes a student to be confined in the hospital or at home periodically throughout the school year causing the student to exceed the maximum absences allowed. Pregnancy is not considered an extended/chronic illness.
- C. Students with an extended illness or chronic illness will need to inform the Elementary School Office. A written statement from the student’s physician may be requested to keep on file.

PERFECT ATTENDANCE

Perfect attendance is defined as being present each school day for the entire day.

EXCUSED ABSENCES

Students are encouraged to be in school each day. However, it is recognized that circumstances may make it necessary for a student to be absent from school on occasion. Students should not use absences unnecessarily since an emergency may arise later in the school year when the absences will be needed.

- A. Of the twenty absences allowed, ten of the absences may be excused by a written note from a parent or legal guardian. **The remaining absences may be excused only by a note from a physician, dentist, or government agency. After the 10th parent excuse, a parent or legal guardian must accompany the student back to school for each additional absence.**
- B. A student who has a passing average in a course but exceeds the maximum number of absences will be subject to failure. Under certain circumstances the student and parent may be requested to appear before an Attendance Hearing Committee, who will recommend pass or failure depending on the circumstances surrounding the absences.

SKIPPING SCHOOL/TRUANCY

Because of the potential danger involved when a student skips school, skipping school will not be tolerated.

- A. Any student who skips school or intentionally leaves school without permission will be suspended for three (3) days.
- B. Any group of students who skips school or leaves during the day will be suspended for one week.
- C. A parent/guardian must accompany the student back to school in order to reenter the student any time an absence is unexcused.
- D. Students who skip school will receive an automatic unexcused absence for that day.

PROCEDURE FOR RETURNING TO SCHOOL AFTER ABSENCE

- A. Upon returning to school after an absence for any reason, the student must have a written note signed by a parent or legal guardian stating the reason for the student’s absence even when the parent accompanies the student back to school.
- B. The student will be issued an excused or unexcused class admittance slip. This slip must be presented to the student’s homeroom teacher.

- C. If a student does not bring a note stating the reason for being absent, the attendance record will reflect an unexcused absence.
- D. A parent has up to ten days to send or bring a note to the office explaining the absence of their child. After the ten-day grace period expires, the unexcused absence will remain as such.

MONITORING OF ATTENDANCE

Because attendance in school is vital for educational success, student absences will be monitored on a daily basis. As required by law, the following monitoring system will be used:

- A. All absences will be recorded by the classroom teacher;
- B. Parents will be notified of a student's absence by telephone on a daily basis when communication by telephone is available.
- C. After a student has accumulated five (5) unexcused absences, the attendance counselor will make a home visit.
- D. When a student accumulates 10 absences (excused or unexcused) a letter for notification of excessive absences will be sent to the parents, with a copy remaining in the student's cumulative record.
- E. Once a student has exceeded 20 absences they will be withdrawn from the Winona-Montgomery Consolidated School District.

TARDIES

- A student is tardy for school if he/she arrives at school after the tardy bell has rung (7:50 am).
- Students must get a tardy slip from the school office to get into class when late to school.
 The parent must escort the student into the building.
 A parent's failure to check in with the office will result in the child's placement in In School Detention until the parent can come back to the school.
 Children who are tardy will only be allowed to enter the building through the front doors.
- Once a student has received four (4) tardies, the parents will be required to show proof of residency.
- Upon the 5th tardy in a semester, the school attendance officer will be contacted.
- Five (5) unexcused tardies will be counted as one (1) unexcused absence.
- The principal retains the authority to excuse tardies in such instances such as:
 - Students involved in accidents
 - Medical reasons
 - Personal knowledge of situations

LEAVING CAMPUS DURING THE SCHOOL DAY

- A. Any student who leaves school during the school day must be picked up in the office.
- B. Students will not be allowed to check out after 11:30 a.m.
- C. Either a parent, guardian or an adult listed on the child's check-out form must come to the school to pick up the child or make personal arrangements with the principal the day before the absence is to occur. The school reserves the right to ask for identification when a student is being checked out of school.
- D. Upon the 5th unexcused checkout in a semester, the school attendance officer will be contacted.
- E. If the student returns to school during the day, he/she must return to the office and sign in.
- F. In order to count as present for the school day, a student must attend school for a minimum of 63% of the school day.

FIELD TRIPS

Field trips help to provide a well-rounded educational experience for students. They are planned to meet educational objectives and/or to celebrate educational achievements.

Because participation in field trips is considered a privilege rather than a right, Winona -Montgomery Consolidated School District has established guidelines which students must follow in order to participate in field trips.

- A. All students must conduct themselves as they would during regular school hours and are subject to the same code of conduct and punishment while on field trips as they are while at school. **If disciplinary actions are needed while on a field trip, the child may be ineligible to attend another field trip during the same academic year.**

SCHOOL AND/ OR PERSONAL PROPERTY

CARE OF SCHOOL PROPERTY/VANDALISM

Because the Winona Elementary School is public property and belongs to the Winona-Montgomery Consolidated School District, the local school board is charged with the responsibility of maintaining and protecting the school property. Although the property is public property, this does not give any student the right to destroy any of the property. According to the Mississippi Code (3711-19), "If any student shall willfully destroy, cut, deface, damage, or injure any school building, equipment, or other school property, he/she shall be liable to suspension or expulsion and his parents or persons in loco parents shall be liable for all damages." Anyone who willfully destroys school property valued at \$100.00 or more will be suspended from school for the remainder of the school year and will be made to pay for the damaged property before being allowed to return to school for the next school term. If any school property is destroyed and is valued less than \$100.00, the student will pay for the damages, be suspended from school for an indefinite period of time and may not return to school until the damaged property is paid for.

School officials are authorized to sign a criminal complaint and to press charges against those persons who vandalize school property. Should the need arise and the district feels that additional property protection is necessary, the school district reserves the right to install site surveillance cameras on any property controlled by the Winona- Montgomery Consolidated School District. This includes classrooms, hallways, cafeterias, restrooms, buses, field house, gymnasium, etc. Students in past years have cooperated with school officials to keep our school looking well cared for. Administrators and teachers alike thank the students for their concern and help in keeping our school looking good and request that the student body continue in this same spirit of cooperation.

- I. Students must conduct themselves properly while riding the bus or forfeit the privilege of free state transportation.
- II. There will be no food, drinks, chewing gum, tobacco, or illegal drugs permitted on the school bus.
- III. The driver of the bus must give his undivided attention to the safety of all the students on the bus; therefore, if the driver must be driver and disciplinarian at the same time, the safety of the students is at risk. Therefore, students are required by law to maintain an orderly form of discipline while on the school bus.

WALKERS

In order for a student to be allowed to walk from school, a physical address within one mile of Winona Elementary School must be provided in registration paperwork. If a child lives over one mile from the school, they are ineligible to be a walker and must either be a bus rider or car rider. *(Refer to page 26 of the Winona Elementary Handbook for the car rider procedure)*

No student will be allowed to walk to a parked car off campus. This includes cars parked in the JJ Knox Gym parking lot.

CAR RIDERS

In order to expedite the car rider line this year, Winona Elementary has implemented a new process for the loading of our students. Listed below are the steps for this process:

1. Each family will receive a numbered placard that **MUST** be visible in order for staff to know which students should be sent outside for loading.
 - a. All students will remain inside for social distancing purposes.
2. **ANY** vehicle without a placard will **NOT** be allowed to pick up students in the car rider line. Vehicles without placards will be instructed to drive around to the front of the building, and parents/guardians will be required to go inside and sign-out their children in the office.
 - a. Due to social distancing guidelines, parents/guardians will **NOT** be allowed to enter the building until 2:30 PM.
3. If a parent requests that their child's method of transportation be changed from car rider, the assigned placard number will be changed to 'Deleted Number'.
 - a. This will remove the number/child from the car rider system, and they must be picked up in the front office.
4. Vehicles will be directed to the appropriate location as they approach the loading zone.
 - a. The school will be utilizing three lanes this year, so it is important that each person pay attention at all times. *(No cell phone usage)*
5. Parents/Guardians will be allowed to stand beside their vehicle as the loading process begins in order to help their child into the vehicle.
 - a. Due to social distancing guidelines, parents/guardians will **NOT** be allowed to leave the area around their vehicle
6. Once all students have been loaded, parents/guardians will be signaled that it is safe to begin leaving by the designated lane.

CAFETERIA

All students attending the Winona-Montgomery School District will be allowed to eat both breakfast and lunch for free. It will be assumed that a child can drink milk unless the school is given a note, signed by a doctor, stating the medical reasons why the child cannot drink milk. **NO SOFT DRINKS ARE ALLOWED.**

Students will eat both breakfast and lunch in the classrooms.

Due to the limited amount of time students have for lunch and no access to microwaves, students who choose to bring their own lunch must bring a lunch that does not require being heated in the microwave.

All students arriving between 7:20 and 7:40 are to go to their assigned pods. Students will have breakfast in their assigned classrooms. The last call for breakfast is 7:35.

BULLYING POLICY

The Winona- Montgomery Consolidated School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A “hostile environment” means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

The Winona- Montgomery Consolidated School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The Winona- Montgomery Consolidated School District Board of Trustees directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take “reasonable actions” as

may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Winona- Montgomery Consolidated School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

STUDENT COMPLAINTS OF BULLYING OR HARASSING BEHAVIOR

Students and employees in the Winona- Montgomery Consolidated School District are protected from bullying or harassing behavior by other students or employees. It is the intent of the Board and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure provides a process for filing, processing and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board.

I. Definition of Bullying

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

II. Procedures for Processing a Complaint

Any student, school employee or volunteer who feels he/she has been a victim of bullying or harassing behavior or has witnessed or who has reliable information that a student, school employee or volunteer has been subject to bullying or harassing behavior shall report such conduct to a teacher, principal, counselor or other school official. The report shall be made promptly but not later than five (5) calendar days after the alleged act or acts have occurred. The school official shall complete a "Bullying/Harassing Behavior" complaint form which shall include the name of the reporting person, the specific nature and date of the misconduct, the names of the victim of the misconduct, the names of any witnesses and any other information that would assist in the investigation of the complaint. The report shall be given promptly to the principal or superintendent who shall institute an immediate investigation. Complaints against the principal shall be made to the superintendent and complaints against the superintendent shall be made to the Board chairman.

The complaint shall be investigated promptly. At the conclusion of the investigation, if deemed appropriate by the investigating District official, parents will be notified of the nature of the complaint involving their student. The District official will arrange a meeting as may be necessary with all concerned parties within five (5) working days after initial receipt of the complaint by the District. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

If the victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the superintendent. Such appeal shall be filed within ten (10) working days after receipt of the results of the initial decision. The superintendent will arrange such meetings with the victim and other affected parties as deemed necessary to discuss the appeal. The superintendent shall provide a written decision to the victim's appeal within ten (10) working days.

If the victim is not satisfied with the decision of the superintendent, a written appeal may be filed with the Board. Such appeal shall be filed within ten (10) working days after receipt of the decision of the superintendent. The Board shall, on or before the next regularly scheduled meeting of the Winona- Montgomery Consolidated School District Board of Trustees, allow the victim and parents as appropriate to appear before the Board to present reasons for dissatisfaction with the decision of the superintendent. The Board shall provide a written decision within ten (10) working days following the victim's appearance before the Board.

When it has been determined that a student or group of students have been involved in bullying or harassing a student or group of students as defined by the Winona- Montgomery Consolidated School District Student Bullying Policy the following steps will be taken:

- A. On the first occurrence of such bullying or harassing behavior a parent conference will be held, and/or a three day out-of-school suspension will be administered to the student or students.
- B. A student or group of students involved in a second bullying or harassing incident will be suspended for five (5) days and a parent must come to the school to get the student back in school. The parent will be made aware of the consequences should a third act of bullying or harassing behavior occur.
- C. Should a student or group of students be involved in a third bullying or harassing incident, the student will be suspended and sent to the Alternative School. Registration Letter to Parents from Principal:

June 13, 2022

Dear Parent/Guardian,

Below you will find information about:

- Meet the Teacher Day
- The First Day of School
- School Start Time/School Dismissal Time
- Transportation Procedures
- Check-Out Procedures

Meet the Teacher Day:

Winona Elementary School will host **Meet the Teacher Day** on August 2, 2022 for grades PreK-Third and August 3, 2022 for grades Fourth-Sixth. On both days, the time for Meet the Teacher is from 4:00-6:00.

Teachers will only be available during their designated times. We are very excited to say that school supplies will be provided for students this year, so there is no need in bringing supplies to Meet the Teacher.

The First Day of School:

If you are a **parent of a PreK, Kindergarten, or First Grade student** and would like to walk your student to his/her classroom on the first day of school, you should follow the procedures below. Due to limited parking and safety measures, we must strictly adhere to procedures. Parents will not be allowed to enter the building until **8:00**.

- *Parents do not have to walk PreK, Kindergarten, or First Grade Students into the building, but are welcome to do so. **Students in grades 2-6 will enter the building with the assistance of staff members instead of parents.***
- ***Parking** for parents of PreK, Kindergarten, and First Grade Students will be available in the **Circle Drive, Visitors' Spaces, and Car Rider Line.***
- *Parents should enter the building only in the **South Gate** under the awning at the back of the building.*
- *Parents should exit the building by **8:30. An announcement will be made precisely at that time.***

Start Time/Dismissal Time:

- Students should arrive on campus between **7:20-7:45** each day. After 7:45, the student will be considered tardy and the *parent must accompany the child into the building. See the Student Handbook for the WES Tardy Policy.*
- Students will be dismissed at **2:52** each day. There is no After School Care provided for grades K-6th; therefore students **must be picked up by 3:20** if the child is a car rider.

Transportation Procedures:

- Students should **wear their name badges to and from school each day** in order to ensure that they leave the school in the manner designated by the enrollment form. If the student loses his/her name badge, **one can be purchased for \$3.00** from the Honor Patrol. These badges will be sold in the mornings in each pod.
- The car rider line will **enter the campus at 2:45** each day. Car riders **must be picked up by 3:20**.
- Adults who pick up car riders, **must have a car rider tag displayed** in the front windshield.
- The last bus will leave campus at approximately 3:25 each afternoon.
- Walkers will be escorted by a WES employee to the entrance of the car rider line at 3:10; **parents are encouraged to meet their children who are walkers.**

Early Check-Out Procedures:

- If a mode of transportation is changed, a note must accompany the child to school or the parent must email the information about the change to westrans@winonaschools.net by **10:30** the morning of the change. If that information is not received by 10:30, the child will go home the way designated on the enrollment form.
- Students can **not check-out after 1:30** during the school day. *If the student has a pre-planned doctor's appointment, the principal will need to be notified in order to approve the check-out. Notify Tabitha McCrory at 662-283-4129 prior to arriving at the school to check out the student.*
- Winona Elementary School **reserves the right to check identification** of anyone who checks out a child. Winona Elementary School also **reserves the right to deny someone** from checking out a student if that person is not on the student's check-out sheet.

Sincerely,
Tabitha McCrory
Principal, WES
