### **Get to Know You...**

#### **Dr. Katherine Hughes**

1. Name: Dr. Katherine W. Hughes, Assistant Professor of Nursing, APRN, FNP-BC, PMHNP-BC
2. I joined the WMCS D board in January 2021.
3. I have been married for 39.5 years to my high school sweetheart, Rick Hughes and we have five children and five grandchildren.
4. What are your favorite things to do? I love going to the movie with my spouse and attending community service Events.
5. Name one teacher that left a lasting impact on your life and why. If I had to remember a teacher that had a lasting effect on me, it would be Mrs. Margo Bond. As a teenager, I fell short on some things; however, Mrs. Bond never seemed to judge me and make me feel ashamed or unworthy. She continued to treat me with respect and dignity. When I think of her, what comes to mind is a famous quote by Jim George "It's not how you start that's important, but how you finish."
6. What is the best part of serving the families of the Winona-Montgomery Consolidated School District? The best part of serving the families of WMCS D is that they place their trust in us and that we will do our very best to serve them in whatever way is best for them. We are obligated to produce students who will become great leaders in our and other communities. Proverb 22:6 says "Train up a child in the way he should go: and when he is old he will not depart from it". The old saying goes: "It takes a village to raise a child". It is all our responsibility to produce great students to enter our society.
