5. Name one teacher that left a lasting impact on your life and why. The teacher who left a lasting impact on me was Mrs. Ruby Bocclair. She taught me 7th Grade ELA. She not only taught me about ELA but how to have confidence in myself.
6. What is the best part of serving the families of the Winona-Montgomery Consolidated School District? I have enjoyed seeing the growth of our kids in the district after the consolidation. We all knew it was going to take hard work and determination on everyone's part to get our schools back to where we want them to be so they can be all they can be.
