

Metuchen High School Prom Reminders

Attendees are expected to arrive between 6-7pm.

Upon arrival, attendees may not leave the venue.

An announcement will be made at 10:30pm to alert attendees that they may begin to leave, especially if they are driving so that they are home before curfew.

If a student is in need of any support during the evening, a member of the counseling department will be available.

Members of the District Safety Team and the Metuchen Police Department will be on site throughout the event.

If a student must leave early, they will need to see Mr. Porowski or Mr. Stike, who will contact their parent/guardian and confirm the plan for dismissal.

We look forward to an
out-of-this-world evening!
Have fun, be safe, and
make good choices!
