Comments: Thank you to everyone who helped run off our meet. We were kind of short-handed this year so I know it was a lot more work for those of you who did help.

We competed well throughout the day, but the conditions did worsen as the meet went on. PR's were harder to come by later in the meet, but we still had 16 PR's and Season Bests by the end of the meet and capped it off by winning the boys 4X400! We had several athletes trying out new events as we try to determine where are strengths are. We'll get a good test this week at the Pre-State Challenge in Wichita. It's held at Wichita State University, the site of the State Track Meet. It should have lots of good competition from across the state and gives us a chance to experience a little of what a State Track Meet will be like.
