#### COOPERATIVE PRICING SYSTEM AGREEMENT NJSBA ACES CPS #E8801

WHEREAS, the Public School Contracts Law, N.J.S.A. 18A:18A-4.1a, authorizes district boards of education to competitively contract for the procurement of proprietary computer software and services; and

WHEREAS, the New Jersey School Boards' Association (NJSBA), N.J.S.A. 18A:6-45 et. seq., on behalf of its membership has competitively contracted to procure on an aggregated basis digital and electronic products and services, E- Rate Consulting and Processing Services, and other technology products and programs to enhance Members readiness for Future Ready Schools, as well as

energy aggregation services, supplies and materials, time and materials; and such other services and products as two or more participating local boards in the system agree can be purchased on a cooperative basis; and

WHEREAS, N.J.S.A. 18A:18A-11 specifically authorizes two or more local district boards of education (hereinafter referred to as local boards) to enter into a Cooperative Pricing Agreement for the purchase of work, materials, and supplies; and

WHEREAS, NJSBA is conducting a voluntary Cooperative Pricing System within the State of New Jersey, utilizing the administrative purchasing services and facilities of NJSBA; and

WHEREAS, this Cooperative Pricing Agreement (hereinafter referred to as the Agreement) is to effect substantial economies in the purchase of energy and technology products and services for local boards across this State; and

WHEREAS, all parties to this Agreement have approved this Agreement by resolution, in accordance with N.J.S.A. 18A:18A-1 *et. seq.* and regulations promulgated thereunder; and

WHEREAS, it is the desire of all parties to enter into such Agreement for said purposes;

NOW, THEREFORE, IN CONSIDERATION OF the promises and of the covenants, terms, and conditions hereinafter set forth, it is mutually agreed as follows:

1. The products and services to be priced cooperatively may include, on an aggregated basis or not, digital and electronic products and services, E-Rate Consulting and Processing Services, and other technology products and programs to enhance Members readiness for Future Ready Schools-NJ, as well as energy aggregation services, supplies and materials, time and materials; and such other services and products as two or more participating local boards in the system agree can be purchased on a cooperative basis.

3. The NJSBA, on behalf of all participating contracting units, shall, upon approval of the System's registration and upon the anniversary of the system's registration publish a legal ad in such format as required by N.J.A.C. 5:34-7.12 in a newspaper normally used for such purposes by it, to include such information as:

  - e. The expiration date of the Agreement.
4. Each of the participating local boards shall designate, in writing, to NJSBA, products and services to be purchased and indicate therein the approximate quantities desired, the location for delivery and other requirements, to permit the preparation of specifications as provided by law.
5. The specifications shall be prepared and approved by NJSBA and no changes shall thereafter be made except as permitted by law. Nothing herein shall be deemed to prevent changes in specifications for subsequent purchases.
6. A single advertisement for bids or the solicitation of informal quotations for the work, materials or supplies to be purchased shall be prepared by NJSBA on behalf of all of the participating local boards desiring to purchase products and services and some or all of the other services specified in this Agreement.

Following the receipt of bids, NJSBA shall review said bids and on behalf of all participating local boards, either reject all or certain of the bids or make one award to the lowest responsible bidder. This award shall result in the opportunity for individual local boards to enter into individual contracts with the successful bidder providing for the estimated aggregate quantities to be purchased during the term of the individual contracts.

11. NJSBA reserves the right to exclude any item or service from within said system if, in its opinion, the pooling of purchasing requirements or needs of the participating contracting units is either not beneficial or practicable.
12. NJSBA shall appropriate sufficient funds to enable it to perform the administrative responsibilities assumed pursuant to this Agreement.
13. This Agreement shall become effective upon signing, subject to the review and approval of the Director of the Division of Local Government Services and shall continue in effect for the duration of the Cooperative Pricing System's Registration with DCA unless any party to this Agreement shall give written notice of its intention to terminate its participation.
14. Additional local boards may from time to time, execute this Agreement by means of a Rider attached hereto, which addition shall not invalidate this Agreement with respect to the other signatories. NJSBA is authorized to execute the Rider(s) on behalf of the members of the Cooperative Pricing System.
15. All records and documents maintained or utilized pursuant to the terms of this Agreement shall be identified by the code number assigned to the System by the Director, Division of Local Government Services, and such other numbers as are assigned by the Lead Agency for purposes of identifying each contract and item awarded.
