

Job Opportunities To Join Our Growing Visions Team

Visions In Education is one of the most established TK-12 Public Charter Schools serving northern California. We provide educational options for those students and families seeking alternatives to the traditional public school setting. Visions In Education has successfully supported students and families for 20+ years and is a growing, thriving organization.

We have built our organization by hiring the most qualified people, investing in their professional success, and by providing a generous compensation and benefits package that includes CalSTRS/CalPERS retirement, 100% employer paid Medical/Dental/Vision (single) for full-time staff, and sick leave.

We are actively seeking qualified candidates that want to make a difference, love meeting goals, and are nimble enough to handle a fast-paced environment — apply today to join the Visions team.
