Senior Scholarship from Denali Federal Credit Union

Dear Principal/Teacher Willyerd:

Denali Federal Credit Union is proud to announce our 2018 Scholarship Program! We are awarding three \$5,000 scholarships to current high school seniors.

Below you will find links to a Word or PDF application, as well as our flier for you to post around campus and share with your seniors who you think may be interested in going to college or a trade school. We also have brochures if you would like to display some in your front office.

The application must be completed, postmarked or delivered to any branch office of Denali Federal Credit Union by Monday, April 2, 2018. Please visit www.denalifcu.org/scholarships to see full details. We encourage your seniors to apply!
